STEINER
SCHOOL

Thomas Moore

Short career overview:

Investment Manager (investing in UK companies, managing £1.5bn of UK Equity Income portfolios) at Standard Life Investments (2002-2017) and previously at Schroders (1998-2002). This role involves helping individuals to save for their retirement by identifying the most compelling investment opportunities available among UK companies.

What is your connection to Edinburgh Steiner School:

I have 3 children at Steiner (Theo in Class 5, Annika in Class 2 and Martha in Kindergarten). My wife was educated at Steiner in Oslo.

What do you feel makes ESS special/relevant in the 21st century:

Although I do not have a Steiner background (I was educated at Sevenoaks School in Kent), I have witnessed in my own children how successful the school can be in developing the whole child. This has enthused me to such an extent that I was keen to apply for the position on the Board of Trustees so that I can do what I can to help the school move forward.

How do you feel your skills/experience can contribute to/support the school:

I would hope to bring my commercial and financial awareness to the role, coupled with my enthusiasm for the school and its values.
