

EDINBURGH
STEINER
SCHOOL

Zahid Hanif

Career overview:

I work as Technical Director for a data and marketing company in Edinburgh. I have BSc in Neuroscience and an MSc in Information Systems.

Connection to ESS:

We moved from Glasgow to continue our children's Steiner education. My son graduated in 2019 and my daughter is in the Upper School. I have been a class convenor for my daughter's class. I have also enjoyed taking and sharing pictures of the school's various activities, especially the Christmas Market.

ESS relevancy:

I have seen the benefit of the school's nurturing environment on my children and other pupils. The school creates critical thinkers and confident pupils who love to learn.

Skills/Experience:

I would like to share my personal experiences of working with grassroots organisations. I also have IT and Marketing skills that could be of benefit to the school.
